Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Penguin Books Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. With a history play whose villainous usurper is one of William Shakespeare s most memorably cunning and sinister characters, Richard III is edited by E.A.J. Honigmann with an introduction by Michael Taylor in Penguin Shakespeare. Now is the winter of our discontent Made glorious summer by this sun of York . Richard of York, the bitter, deformed brother of King Edward IV, is secretly plotting to seize the throne of England. Charming and duplicitous, powerfully eloquent and viciously cruel, he is prepared to go to any lengths to achieve his goal. In his skilful manipulation of events and people - coercing the king into eliminating the Duke of Clarence, next in line to the throne; imprisoning the King s sons, princes Edward and Richard, in the Tower of London; and purging court of any who might oppose his rule - Richard is a chilling incarnation of the lure of evil and the temptation of power. This book contains a general introduction to Shakespeare s life and Elizabethan theatre, a separate introduction to Richard III, a chronology, suggestions for further reading, an essay discussing performance options on both stage and screen, and a commentary. Richard III is the concluding drama in Shakespeare s cycle of plays about the Wars of the Roses, following Henry VI, Parts I, II and III. Exciting, funny, sexy and violent. (Sir Ian McKellen).
