Csnv Books, United States, 2013. Paperback. Book Condition: New. 2nd. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.So, you re interested in growth hacking. Maybe you know a little about it, maybe you ve never heard about it, maybe you re the inventor of the term and you re scoping out the competition (hi, Sean!) No matter who you are, you re not looking to make a business grow - it s your looking to make a business erupt like Vesuvius. You re looking to spread like blue jeans and the Beatles - to become an uninterrupted facet of modern life, like automobiles, cable television and Facebook. In the digital age, there is such a proliferation of choice and competition that it is no longer enough for a business to get people in the door. A consumer can easily try a product, make a snap decision on its relative value, and leave with no more effort than clicking unsubscribe to the first auto-drip e-mail that arrives in their inbox. Recent societal and technological developments have introduced an urgent need for online businesses to focus on retention and engagement. The more engaged users are,...
