A TRIP TO PLUTOPIA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Trip to Plutopia Let me begin with the 49,500. When one describes the first he has practically described the last, for they are about alike in dress, habits and tastes. They do not have names; each has his own number and answers to it like a convict. I had occasion to interview No. 31497. He told me he was satisfied with the way things were run and hoped there would never be a change. He was very thankful to the 500 in the palaces, because they gave him an opportunity to work twelve hours each day in one of the rolling mills. He said the first thing he learned was to believe that the 49,500 who worked should do nothing but work, while the remaining 500 who worked not should do everything but work. He confessed this was a difficult theory to get into his head, but as his head had never been overtaxed in any way he managed to adopt the idea.
