Hematology and Coagulation

By Amer Wahed

Oxford Elsevier LTD Feb 2015, 2015. Buch. Book Condition: Neu. 241x189x20 mm. Neuware - Hematology and Coagulation is a clear and easy-to-read presentation of core topics and detailed case studies that illustrate the application of hematopathology knowledge to everyday patient care. In order to be successful, as well as to pass the American Board of Pathology examination, all pathology residents must have a good command of hematopathology, including the challenging topics of hematology and coagulation. Hematology and Coagulation meets this challenge head on. This basic primer offers practical examples of how things function in the hematopathology clinic as well as useful lists, sample questions, and a bullet-point format ideal for quick pre-board review. This book provides only the most clinically relevant examples designed to educate senior medical students, residents and fellows and 'refresh' the knowledge base, without overwhelming students, residents, and clinicians. Takes a practical and easy-to-read approach to understanding hematology and coagulation at an appropriate level for both board preparation as well as a professional refresher course. Covers all important clinical information found in larger textbooks in a more succinct and easy-to-understand manner. Covers essential concepts in hematopathology in such a way that fellows and clinicians understand the methods...
