Border as Method, Or, the Multiplication of Labor

By Brett Neilson

Duke University Press. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 9.2in. x 6.1in. x 0.9in. Far from creating a borderless world, contemporary globalization has generated a proliferation of borders. In *Border as Method*, Sandro Mezzadra and Brett Neilson chart this proliferation, investigating its implications for migratory movements, capitalist transformations, and political life. They explore the atmospheric violence that surrounds borderlands and border struggles across various geographical scales, illustrating their theoretical arguments with illuminating case studies drawn from Europe, Asia, the Pacific, the Americas, and elsewhere. Mezzadra and Neilson approach the border not only as a research object but also as an epistemic framework. Their use of the border as method enables new perspectives on the crisis and transformations of the nation-state, as well as powerful reassessments of political concepts such as citizenship and sovereignty. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Olga Ledner MD**

Complete guide for publication enthusiasts. I have read and i am sure that i will going to study again once again in the future. Your way of life period will be transform once you total looking over this publication.
