

Trace Evidence (Paperback)

Filesize: 4.66 MB

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Broadwater Books, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.TRACE EVIDENCE is inspired by Long Island, New York's first death penalty case in nearly a quarter century-the Robert Shulman serial killer trial-1998. On a daily basis, the author spent an unprecedented fifteen months following pretrial, jury selection, trial, and penalty-sentencing phase; lectured at Kirby Forensic Psychiatric Center for the criminally insane, Ward's Island, Manhattan [where Shulman had been evaluated]; then interviewed the head of Suffolk County Homicide, Detective Lieutenant John Gierasch, for the finishing fictional touches. Additionally, scores of folks connected to law enforcement and the courts assisted Robert Banfelder so as to build verisimilitude into this account. On April 6, 1996, Robert Shulman was arrested in Hicksville, Long Island, New York for murdering and dismembering three women. Subsequently, Shulman was linked to the murder of two other women in Westchester, New York. After a lengthy trial, Shulman was convicted and sentenced to die by lethal injection; that is, before the Court of Appeals declared the New York State death penalty unconstitutional. Robert Shulman died in prison on April 13, 2006. While remaining true to many of the facts referencing the Robert Shulman serial-killer trial in Suffolk County, Long Island, New York, award-winning novelist Robert Banfelder brilliantly weaves his fictional account of murder and mayhem through the fabric of justice and injustices. TRACE EVIDENCE is a story of murder, avarice and betrayal. Brothers Howard and Jeffrey Mills, both postal mail handlers, are initially suspects in the bludgeoning and dismembering murders of three prostitutes. Eventually, homicide detectives zero in on Howard as their primary target. An avalanche of forensic evidence leaves no doubt in anyone's mind that the women were killed in Howard's...
