## THE BOY SCOUTS BOOK OF STORIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Boy Scouts Book of Stories Something over a year ago the Electric Railway Journal began the publication of its monthly Mechanical and Engineering Numbers. The purpose of these has been to furnish articles of a character particularly helpful to the men who are responsible for the upkeep of the physical equipment of an electric railway property. Overhead line construction, tracks, buildings, power plants, substations, shops and rolling stock and its equipment have all been kept in mind. Arrangements were made with several specialists in different parts of the electric railway field for series of articles covering the fundamentals of track, power transmission, car equipment, car bodies and power plant operation; these were in addition to numerous articles on details of practice in the several lines mentioned. While all of the series are not yet complete, they have proved to date so valuable and comprehensive that the publishers of the paper have decided to reprint a number of the articles in the several series, particularly for the benefit of those who have not had the opportunity to read them month by month. Space limitations have prevented the reprinting of the entire groups of articles but a careful selection has been made of those which seem to have greatest immediate practical value. Readers of this volume are referred to the original series in each of the fields if further details are desired. The authors of the articles reprinted are all qualified by practical experience and theoretical study to furnish the kind of material desired by the workers in the practical departments of the electric railways. For want of a better word the term practical is used...
