Hachette Book Publishing India Pvt. Ltd, 2014. Soft cover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Meaning 'dressed up like a boy' in Dari, bacha posh are girls raised and presented to the world as boys. Jenny Nordberg writes a powerful and moving account about those secretly living on the other side of a society where women have almost no rights. The Underground Girls of Kabul is about Azita, a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy; Zahra, the tomboy teenager who struggles with puberty and refuses her parents' attempts to turn her back into a girl; Shukria, now a married mother of three after living for twenty years as a man; and Nader, who prays with Shahed, the undercover female police officer, as they both remain in male disguise as adults. Following the bacha posh through childhood, puberty, married life and childbirth, The Underground Girls of Kabul examines the profound effects the practice has had on generations of Afghan women and what it means for girls everywhere.
