The first of the number - for they are not a series - was the produce of a sudden thought suggested by the circumstance to which it refers: those that follow bespeak the manner of their growth, and evince too, in that growth, the danger of launching an extensive topic. If the efforts of an humble individual like myself could turn into a legitimate course the struggles, which the working classes are making in search - as I would say, rather than in defence or in assertion - of their rights, I should highly value my success. There is really nothing...
