Brand New Book ***** Print on Demand *****.When Sexual Harassment Feels Like Prostitution, your internal alarms are going off and you know something is wrong. I had decided teenagers should understand this trap, this hostile harassment, this threat to your values taught from mentors or teachers, and this threat to your safety. I have explained sexual harassment is both, discrimination and prostitution in some instances with a manager or a supervisor. There is something wrong, if you are made to feel like you have to prostitute yourself for a paycheck. I am a working class citizen, who has explained the sexually harassed victim's side. My book is filled with humor and I have directly dealt with sexual harassment. I have dealt with sexual harassment abuses for over a decade. The terms, sexual harassment and discrimination, does not clearly explain the misdeeds committed against some employees in the workplaces.
