Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Albert Einstein, the creator of both the Special and General Theories of Relativity, spent his golden years in search of the answer to the question; what is the nature of everything? The Unified Field Theory represents the quest to discover how everything is related in the universe; Love Is the Nature of Existence answers that question. The Jew determines how the rest of nature behaves; that includes you, your neighbor across the street, every molecule, as well as every atom. . Once anybody realizes this truth, he also becomes acquainted with the fact that he is no different from anything else; which would necessarily include the stars in the sky, not to mention the galaxies that spin around one another within the furthest dimensions of space. Be here, be now, believe in Love; nothing in existence is, can, or ever will be, beyond, behind, or outside, the truth. In other words, when there is no relativity, there can be no beginning or end within the confines of the Truth. Time, hence, can neither progress nor recede, but remains...
