Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE EIGHT LEGGED ATOMIC DUSTBIN WILL EAT ITSELF (NEW EDITION)

Independent Music Press. Paperback. Book Condition: new. BRAND NEW, The Eight Legged Atomic Dustbin Will Eat Itself (New edition), Martin Roach, This is a fully updated, revised and expanded edition of the book that "Vox" magazine called 'a phenomenon' on its publication in 1992. With all three of the Stourbridge bands - The Wonder Stuff, Pop Will Eat Itself and Ned's Atomic Dustbin - having recently reformed, due to public demand, this book brings the history of this unique music scene up-to-date. Extensive interviews with band members reveal what they have been up to throughout the thirteen years since this book's first publication, including writing Hollywood soundtracks and running record companies. A comprehensive chronicle of all their record releases to date and massive histories of each band complete this third edition. With an introduction by the movement's most famous face - Miles Hunt, singer of 'The Size of a Cow' and 'Dizzy' with Vic Reeves, this essential tome will be a must-have book for thousands of the bands' fans.
