Even in a stadium bursting with 50,000 spectators, you tell yourself, "This is so great this is my day for showing what I'm worth" The book that will take you by the hand and show you how to play without hesitation! As a young football player, Eitan, searched for ways and methods to overcome the mental blocks he experienced, such as lack of confidence, fear of failure, performance anxiety, and differences between the ability he showed during games compared that he showed during practice. This led him on a personal journey, during which he studied almost every possible method used to fulfill potential. He made many mistakes, discovered what works and what does not. This book will teach you step-by-step how to develop the confidence needed by competitive football players who aspire to succeed in football and to fulfill their dreams. What will this book do for you? This book will show you how to easily overcome the fears, concerns and pressure that are preventing you from playing a relaxed game and how you can show the true abilities that you have and that are waiting to come out. You will learn how to develop the character and personality of a fearless player! (that player who performs special moves on the field that you too, can do well).
