This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

Downtown Press, Australia, 2005. Paperback. Book Condition: New. 208 x 129 mm. Language: English . Brand New Book. Dream boyfriend not included. When she moved to New York, Ryan Hadley imagined living the big-city-sitcom kind of life with all the trimmings -- great apartment, dream job, and a swept-off-your-feet, how-awesome-is-this-guy love. Of course, her real life is only so-so: not outstanding, nor bad enough to require medication. Ryan spends her days at a dreary data-entry job with wannabe-rocker Will, nights at her favorite dive bar with pals Audrey and Veronica, and her spare time daydreaming about the ideal -- but sadly, fictional -- man: if only Mark Darcy wasn't claimed by Bridget Jones. Some assembly required. But two promotions and a record deal later, Ryan's three closest friends are suddenly moving on up -- while Ryan seems to be treading water. Then Charlie, her college ex and super hottie, appears out of the blue with a success story of his own and more than a little baggage in tow. In a New York minute, Ryan realizes that one doesn't live off a maxed-out credit card and a year's supply of squashed Ho Ho's without learning a few important life lessons. She's ready to squeeze a five-year-plan for success into just a few crazy months. After all, why be a big-city girl if you're not going to dream big -- and reach for the stars?.
