Where Sky, Lincolnshire and Water meet is a quotation from Philip Larkin s poem entitled The Whitsun Weddings and is an apt choice as it offers place and theme for the story. It is a Family saga which spans history from Edwardian England to the present day. The characters are ordinary people caught up in events which changed the world and their lives. They keep diaries, which enables the reader to empathise with their situations. Love ties them together, despite the risks. But, there is always a price to pay.
