

The Box: Tales from the Darkroom (Paperback)

By Günter Grass

Vintage Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. In this delightful sequel to *Peeling the Onion*, Gunter Grass writes in the voices of his eight children as they record memories of their childhoods, of growing up, of their father, who was always at work on a new book, always at the margins of their lives. Memories contradictory, critical, loving, accusatory - they piece together an intimate picture of this most public of men. To say nothing of Marie, Grass's assistant, a family friend of many years, perhaps even a lover, whose snapshots taken with an old-fashioned Agfa box camera provide the author with ideas for his work. But her images offer much more. They reveal a truth beyond the ordinary detail of life, depict the future, tell what might have been, grant the wishes in visual form of those photographed. The children speculate on the nature of this magic: was the enchanted camera a source of inspiration for their father? Did it represent the power of art itself? Was it the eye of God? Winner of the Nobel Prize for Literature.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
