Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When that tiny little human shot out of his mother's hugely-dilated opening screaming bloody murder, no matter how hard Dad looked, there was no book, manual, DVD, or even a business card with a web address inside that nasty pouch called the afterbirth. Apparently, God, in His infinite wisdom, forgot to leave a manual. Unfortunately for you, and your children, this book may be as close as you're going to get. Miso N. Grey is no doctor. He's not a psychologist, nor a specialist, spiritualist, or a teacher. He's not even a daycare worker. But Grey is an experienced father. You can learn how to pick up chicks, steal a car, hack a computer, or even build a meth lab; but there is no authority on parenting. There are no experts, no government agencies, no churches, no organizations, no non-profits, or no no-one who knows what's best for any child. If anyone tells you otherwise, they're lying. Grey lists thousands of his clever findings in the pages of this book so you won't have to make the same mistakes. Diary of an Angry Father is seething. It's tongue-in-cheek and sarcastic to the bone. It's brutally honest. And it's a bunch of fun. Join the self-appointed Child Raising Czar on his wild adventures in parenthood as he debunks myths, defiles old wives tales, and destroys any preconceived notions you might have had about being a successful parent.
