

Proceedings of the Institution of Electrical Engineers Volume . 14 (Paperback)

By Institution Of Electrical Engineers

Not Avail, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1885 Excerpt: .partout. C est par ces caracteres generaux que l avant-projet de les Commission des Notations electriques differe si notablement des propositions faites par M. Jamieson. Je n insiste par davantage, puisque vous denez nommer une Commission chargee d etudier la question, et que vous avez fait a la Societe Internationale des Electriciens le grand honneur d appeler le president et le secretaire de la Commission des Notations electriques, a venir partager vos travaux. Nul doute que de notre entente commune, et des sentiments de bonne confraternite dont nous sommes tous animes, ne sorte bientot une oeuvre utile et feconde dont la science electrique ne tardera par a recueillir les fruits. VOL. xrv. 21 Professor Forbes: A very large subject has been broached by Mr. Jamieson, and M. Hospitalier has succeeded in making it even wider. I think that we cannot expect to go very far...

Reviews

Merely no words to describe. I have got study and i am confident that i am going to planning to go through yet again once again in the foreseeable future. You will like just how the writer compose this publication.

-- **Devante Schmitt**

Complete guideline! Its this sort of excellent read. I could comprehended every little thing out of this written e publication. Its been designed in an remarkably easy way and it is only right after i finished reading this publication by which really transformed me, affect the way i think.
