"Over the last ten years we have lost count of the inquiries we've fielded from all over the United Kingdom and from many other countries worldwide. We've been contacted by a wide range of healthcare providers, clinical staff from a variety of professions; therapists, nurses and doctors, service managers, professional bodies and healthcare policy makers and the questions have been the same. This is a practical guide that should help to take you relatively stress-free through the very important key stages of preparation.
