Are you looking for a way to blow off steam in a healthy manner? Increase your IQ! If so, then let us tell you about an interesting yet a fun way to do so. No worries, it is not as expensive as you think. All that is required for this purpose is a pencil. Confused? Let us tell you more about it. This book has the most exciting compilation of Sudoku puzzles perfect to give you an IQ boost while improving your cognitive skills. Each Sudoku puzzle is designed to exercise your brain and challenge you in different levels. All you have to do now is grab a pencil and focus on the common goal. Sudoku is a game of puzzle originally from Japan. Unlike other puzzles such as picture puzzles or word puzzles, Sudoku is completely different. It is a puzzle with numbers and if you love solving mysteries, you might be the perfect person to solve Sudoku. The most interesting thing about these puzzles is that you do not have to be a math whiz. That's right. You can stop cringing now. This suits both math lovers as well as non-math lovers. How is that possible? It may sound surprising but this game uses only logic and reasoning. In other words, common sense. If you desire a productive way to keep your mind busy while exercising your brain, Sudoku is the right choice. It not only helps you in improving your IQ but also helps you stay alert and awake. This simple path that you take towards your mental wellbeing can create big positive changes in your life on the long run. Another fascinating thing about...
