Ashmolean Museum, United Kingdom, 2006. Paperback. Book Condition: New. 206 x 147 mm. Language: English . Brand New Book. This publication showcases a selection of vessels from the Ashmolean s remarkable collection. The majority of the pots illustrated were made in Corinth or Athens and exported in antiquity to Italy and Sicily, where they served as grave-offerings. The decoration of figurative scenes - ceramic analogues of designs for textiles or silverware - gives a remarkable insight into Greek religion, warfare, sport and everyday life.
