Book Condition: New. Publisher/Verlag: Penguin US | A novel | Daniel has spent centuries meeting and falling in love with his soul mate, Lucy, through life after reincarnated life. He has the gift of the memory, the ability to recall past lives and recognize reincarnated souls. | From the New York Times -bestselling author of The Sisterhood of the Traveling Pants and The Last Summer (of You and Me) comes an imaginative, inspired, magical book-a love story that lasts more than a lifetime. Daniel has spent centuries falling in love with the same girl. Life after life, crossing continents and dynasties, he and Sophia (despite her changing name and form) have been drawn together-and he remembers it all. But just when young Sophia (now "Lucy" in the present) finally begins to awaken to the secret of their shared past, to understand the true reason for the strength of their attraction, the mysterious force that has always torn them apart reappears. Ultimately, they must come to understand what stands in the way of their love if they are ever to spend a lifetime together. A magical, suspenseful, heartbreaking story of true love, My Name is Memory proves the power and endurance of a union that...
